## Annual General Meeting

Every year we get together to review the past year, share successes, give financial reports and talk about where we want to go in the future! I can't stress enough just how important this meeting is. As a CLUB we know there are somethings we can improve on and we NEED to hear from you. There are a number of changes from the State and the National level that will effect our kids. It would be great for you to attend our AGM and listen and ask the important questions. Even more important we need you to attend and get involved. **We have open Board seats that need volunteers to step up and run for these open positions. This year we have an opening for Secretary, VP of League and President.** Please contact myself (Darin Weber) or our Administrator (Sheri Heinz) to find out more about these positions. All three positions are voting members of the board and are important roles that need to be filled.

## Goals For Sale

The BFC Board made a decision to purchase new U8 goals for next year. The new goals are foldable and more easily moveable. They will be used for League, small sided games, practices, etc. With this new purchase we now have a surplus of our current goals. We have decided to offer these goals for \$50 each. We are hoping we can sell these goals for individual training and backyard games to our current BFC club members. Please contact Darin Weber ([dwebbfc@hotmail.com](mailto:dwebbfc@hotmail.com)) if you are interested in purchasing one or more of these goals.

## Fishback Classic

Our annual tournament is right around the corner. Keep your eyes open for volunteer sign up opportunities. This is a BIG opportunity to take care of your Volunteer Points Contract. We will need all hands on deck. We have 70+ teams registered and its time for BFC and Brookings to shine!
